

PARLIAMENT OF UGANDA

BUSINESS CONDUCTED BY THE OPPOSITION IN THE 1ST SESSION OF THE 11TH PARLIAMENT

FOREWORD

In accordance with the Administration of Parliament (Amendment) Act 2006, the Opposition in Parliament is mandated to keep the Government in check by offering policy alternatives to proposals from the executive.

When we came in office in June 2021, we set out a broad plan to make a difference in the quality of output both in the Committees and in the House. The plan required a lot of hard work to actualize and live up to our desire to be accountable and of service to the people.

We are glad to present the milestones of the Opposition platform in Parliament for the 1st session of the 11th Parliament.

We are grateful to the leadership of Parliament for making it possible for the Members of the Opposition to execute their mandate.

We thank the people of Uganda who entrusted us with the mandate to articulate their concerns at a national platform. We commit to always being the voice of the ordinary Ugandan.

I also take this opportunity to applaud our technical team for providing the necessary support that enabled our Members to execute their constitutional obligations.

**ACCOUNTABILITY AND SERVICE
FOR GOD AND MY COUNTRY.**
